Prayer for Focus

Dear LORD, focus my faith on you. Like Mary, Blessed Virgin, help me to see the great things you have done for me. By your mercy you lift me up and satisfy my hunger.
I give you glory.

Dear LORD, focus my hope on you. Like Paul the Apostle, help me to concentrate on whatever is true, honorable, just, pure, lovely, and gracious.
I give you praise.

Dear LORD, focus my love on you. Like Julian of Norwich, doctor of the church, help me to rest assured that all shall be well. Show me your meaning in all things, which is Love.
I give you thanks.

AMEN
